

IF...

If

Someone was playing football
In the house but
Hadn't broken anything yet,
And had stubbed his toe
On the floor:
Would you be angry?

If

Someone was reading a book
Called 'Monsters'
And hadn't put their light out,
And you found out
At midnight:
Would you be angry?

If

Someone had snipped a hole
In his pyjamas
By accident with scissors,
And couldn't mend it
And had sobbed:
Would you be angry?

If

Someone used his water-pistol
To squirt the mirror
And had slightly wet the floor
So the ceiling below
Fell down:
Would you be angry?

If

Someone in this house had learned
To tie his shoes
Without any help at all
From anyone
And smiled:
Would you be glad?
