Christmas Specials!

Model Cars (Crashed).

Build up your collection of these exact replicas:

- The 'Complete Write-Off' - hardly looks like a car any more!
- The 'Rear-End Shunt' - back axle entirely unmoveable!
- The 'Two-Car Pile-Up' - so badly damaged, it looks like one car
- The 'Scrap-Yard Skeleton' - not much left on this one!

Buy any two of the above and get one of our special 'Two Flat Tyres' models absolutely free!
