Wolf!

The public should be advised that on Wednesday 24th May, the Wolf will come! Be prepared! Lock up your children and elderly parents!

Warning issued by the Flat Earth Society, Oslo Branch

The Education Department

Director: Ed Teecher

Pets in Schools

The Education Department hereby announces that children will no longer be permitted to bring animals, particularly sheep, to school. Parents are advised that the disruption caused by such actions is considerable. Any pupil found accompanied by pets will be sent home.

Wolf!

The public are warned a second time - on Thursday 22nd June, the Wolf will come! Bolt your doors and windows! Keep all pets inside!

For further information, contact the Hungarian Naval Attache.

Local Council Bye-Law

At the General Meeting of the Council on 24th April, it was unanimously agreed that any cats, dishes, little dogs or cows found without their owners in public areas after dark will be impounded.

Manufacturer's Warning.

The Hush-A-Bye Company

hereby advises all members of the public who have bought article no. BED278A 'Baby's Tree-Top Crib', that a design flaw has been reported, causing possible danger in high winds. All customers having bought this article are advised to return them to the stores at which they were bought.

Wolf!

A third warning is hereby issued - on Monday 17th July, the Wolf will come! Set your traps, load your rifles!

Warning issued by the Long Stand Co.

Public Warning

The Neighbourhood Watch scheme of Oortown advises all householders to beware of any person or persons answering to the name of 'Wee Willie Winkie', and dressed in night-gown or gowns. Any sightings of this individual and/or his accomplices should be notified immediately to the Police. On no account should householders attempt to apprehend this criminal without police assistance.
